(Established under the State Legislative Act, 21 of 2022)

### **Admission Notice for the Academic Session 2023-24**

(Advt. No. 2 of 2023)

The Sports University of Haryana aims to become an advanced institute for the study of physical education, sports technology, sports management, sports coaching and sports sciences. It will focus on research, knowledge dissemination, and the development of academic and training programs in various areas of physical education and sports sciences. The university will provide professional and academic leadership in these fields and generate capabilities for knowledge and skill development at different levels. It aspires to be a leading resource centre for physical education, sports sciences, sports technology, and high-performance training. The university aims to establish strong connections with sports academies, schools, colleges, clubs, associations, and international federations to facilitate teaching, training, and research. The ultimate goal is to contribute to the development of the sports ecosystem in the state of Haryana and make India a prominent force in the sporting world. We are the pioneer to implement the recommendations of the National Educational Policy (NEP-2020) in physical education and sports.
